

ADF Meet the Finalist Luncheon, Community Feedback
Mr. John Dilworth
March 4, 2009

What goals do you hope the next Superintendent of East Baton Rouge Parish Public Schools will reach?

- True accountability; the child advocacy and deep understanding and knowledge of education with community engagement.
- Clean house at the Central Office!
- Set a new tone of leadership.
- Improve quality of academic programs. Improve student motivation. Improve “system-awareness” of student experience and ability to react. Provide better support for students at risk.

Was evidence presented in the discussion today that leads you to believe this candidate will accomplish those goals? If so, please indicate the evidence below.

- His record, his experience, his honest approach; he isn't interested in career opportunity but district improvement!
- Yes- appears to be a strong leader.
- Some talk of respect for students.

Please include other thoughts about the discussion today.

- Same search form as last search, hopefully, the outcome will be very different.
- He's The One!
